1. Insrea Group
2. Chairman of Insrea Group
3. Main Business

Since its establishment in 1985, Insrea International Corporation has led the team out of Taiwan and into the future with innovative thinking, decisive decision-making and vision. As the leader of the group, President James Lee has always been optimistic and enterprising, actively leading the company through the busy Import and Export Trade, Online Games, Digital Entertainment, Cultural Communication, High-Tech Products, and Character Licensing. In the recent years, having been engaging in Artificial Intelligence combined with Big Data, we are about to present new kinds of product including Kid-Education Series and A New Platform of Social Marketing. We are convinced that our future will be brilliant and we will keep abreast of the future.

If you want to bring quality products to Taiwan or to the global market, we are confident that we can assist you and become your best global partner.
